

## Health Workforce New Zealand (HWNZ) Postgraduate Nursing Funding

### Prioritisation Framework 2012

To establish transparency and equity in the HWNZ funding programme, the following priority funding framework has been developed.

General	Primary (including Long term Conditions)	Rural
<input checked="" type="checkbox"/> Trainees that identify as Māori or Pacific	<input checked="" type="checkbox"/> Trainees that identify as Māori or Pacific	<input checked="" type="checkbox"/> Trainees that identify as Māori or Pacific
<input checked="" type="checkbox"/> Trainees enrolled in a programme and completing in 2011 (Certificate / Diploma / Masters)	<input checked="" type="checkbox"/> Trainees enrolled in a programme and completing in 2011 (Certificate / Diploma / Masters)	<input checked="" type="checkbox"/> Trainees enrolled in a programme and completing in 2011 (Certificate / Diploma / Masters)
<input checked="" type="checkbox"/> Clinical Nurse Manager, Clinical Nurse Specialist and District Nurse positions	<input checked="" type="checkbox"/> Primary / Practice Nurse Leader, Residential Aged Care Manager	<input checked="" type="checkbox"/> Rural / Practice Nurse Leader
<input checked="" type="checkbox"/> Trainees working in the areas which meets the requirements of the health targets <sup>1</sup> : <ul style="list-style-type: none"> <li>➤ emergency department</li> <li>➤ elective surgery</li> <li>➤ diabetes and cardiovascular services</li> <li>➤ smoke related lung disease</li> </ul>	<input checked="" type="checkbox"/> Trainees working in the areas which meets the requirements of the health targets: <ul style="list-style-type: none"> <li>➤ immunisation</li> <li>➤ palliative care / cancer services</li> <li>➤ diabetes and cardiovascular services</li> <li>➤ smoke related lung disease</li> </ul>	<input checked="" type="checkbox"/> Trainees working in the areas which meets the requirements of the health targets: <ul style="list-style-type: none"> <li>➤ immunisation</li> <li>➤ palliative care / cancer services</li> <li>➤ diabetes and cardiovascular services</li> <li>➤ smoke related lung disease</li> </ul>

Depending on the demand for funding, those applying for two papers to commence a postgraduate programme may only be approved for one paper.

**All papers enrolled in must be offered through a Nursing School and be approved by the Nursing Council of New Zealand (NCNZ) or be credited towards a NCNZ approved programme.**
